

# The Baptist Church, Brierfield

January 2026

*We meet in a warm, friendly atmosphere to praise and worship the Lord Jesus Christ.*

***Please do join us.***

## Sunday Services

We are in Chapel each Sunday and ask that you join us to worship our Lord Jesus Christ together and to share in the fellowship of the Church family.

The services start at 10:30 am and are also streamed live on YouTube - check our website for the service link.

# Together

*(a short message by Cynthia I'Anson)*

As we stand on the threshold of a new year, I want to begin by giving thanks for you.

One of the greatest blessings of this church is the genuine love that flows through it. I see it in the way you care for one another, pray for each other, and show up in times of need. It's real, and it's beautiful, and it reflects the heart of Christ.

Yet as I have prayed about the year ahead, I have felt the Lord stirring something in me—a desire to see those bonds of love grow even deeper and wider. Though we're one church family some of us don't yet know each other as well as we could. There are friendships waiting to be formed, gifts waiting to be shared, and encouragements waiting to be spoken across the whole body.

Paul reminds us that *"in Christ we, though many, form one body, and each member belongs to all the others."* (Romans 12 v 5) What a gift that is—and what an invitation to pursue.

Going forward I would like to encourage you to consider attending Bible Study where we learn more about God and His impact on our lives, and in the process get to know and pray for each other better. I would also encourage you to come to the monthly evening service, which is less formal and offers the opportunity to ask questions to help you more fully understand the message.

We don't know what events will happen over the next year, we don't know what challenges we will face as a church or what personal challenges we will face. We do know that whatever happens we are in God's hands and if we stay close to Him, and each other, we can only prosper through the year ahead.

*Cynthia*

# Prayer Matters

As the year starts perhaps we could share this thought.

Use God as your steering wheel  
not as your spare tyre.

Let us not be one of those who uses Him just for emergencies.  
We will get through life better with God helping us to steer on the difficult road.

As Jesus said, *"I am the way, the truth and the life."* John 14 verse 6  
Paul reminded the Colossians to *"Be persistent in prayer. Keep alert as you pray, always giving thanks to God."* Colossians chapter 4 verse 2.

Through prayer God WILL steer us on the road through life.

May God keep us safe on our journey

Wishing you all a Happy and Healthy New Year.

Kathryn

## CHALLENGE

### Building locally sustained ministry in Asia

Our partners in Bangladesh, Thailand and India trained an encouragingly high number of people in 2023. However, as we seek to build local ownership and sustainability, growth in numbers should be matched by growth in local sources of income. Unfortunately, the percentage of income from local sources remains stubbornly below the 30 per cent mark and appears to be a long way from our target of 50%. Despite its counter-intuitive nature, we are committed to promoting a model of sustainable, modest growth and turning down external funding with our partners.

### Persecution among church planters in India

Church planters in India have been subjected to widespread persecution. In September we received reports from one partner that the government was tracking evangelistic activity on social media and setting up helplines so the public could report evangelistic activity in their area to the authorities. Another partner reported persecution in Kashmir, Manipur (where BMS responded to the attacks on Christians through our relief fund), Haryana and Uttar Pradesh (where several partner-trained church planters are working).

Over 23,000 people – the vast majority in India – have been trained in disciple making and church planting across partners in India, Bangladesh and Thailand, which is an encouragingly high number. However, we are aware of a significant gender imbalance within that figure, with men outnumbering women by a ratio of three-to-one. Annet-Ttendo Miller,

BMS Gender Justice Co-ordinator, continues to work alongside partners to create practices and policies aimed at gender equity.

## LIVES TRANSFORMED

### Draw near with dumplings

In our appeal at the beginning of 2023, you met Som and Thew, a young couple who had recently come to faith in the village of Wang Daeng. This joy-filled couple are now helping lead at a new church planted in the nearby village of Ban Dara, where their son recently got baptised!

When we first met Thew, he shared his desire to one day make and sell his own food – a very different trajectory from his exhausting daily work as a manual labourer. Along with Suree, Wang Daeng's first believer, this dream has been made possible.

Located in front of Wang Daeng's church building, their recently launched food stall selling fried chicken, sticky rice and fried dumplings has been immensely popular in the community, especially with the children walking past it daily on their way to school! With every dumpling sold, Thew is providing for his family, building community and drawing newcomers into church with an inviting (and delicious!) welcome.

Thew
